I understand that I am a Self-Employed Independent Contractor. I will not hold Mitch Sacks liable for any incidents occurring on the way to or from or during games assigned by Mitch Sacks.

I understand that I must confirm games at the Home School where I am assigned by 2:00 P.M. the day of the game. Identify yourself as the Umpire for Baseball or Softball and the level of your game (Varsity-Reserve-Freshman-Middle School). Remember, you may be asked to follow a game to another site if the home team's field is not playable. Ask for directions if unsure of field location. (High School Baseball & Softball)

I understand that I must accept all my game assignments within 48 hours or lose them. I also understand that I must call and confirm my game assignments with coaches at least 24 hours before a game on weekdays, and also call and confirm with coaches for weekend games (Saturday & Sunday) by Friday. This is a very important part of the system for all parties concerned and should eliminate all scheduling errors, no shows and game cancellations.

I understand that I will not work any games for Mitch Sacks (Sandlot America Umpire Group) unless I have this form along with the Code of Ethics Form & National Umpire Roster Registration on file plus all applicable fees are paid before the season starts.

I have read, understand and agree to the Independent Contractor status, Uniform Dress Code and procedures concerning game assignments.
